

A Win for
Florida Funeral Directors Past President
Ken Roberson!

Ken Roberson, Funeral Director and owner of Roberson Funeral Home and Crematory in Port Charlotte, ran for House of Representatives seat 71 and won!

District 71 includes parts of Charlotte, Lee and Sarasota counties. Ken moved to Charlotte County in 1975 and founded the Roberson-Schlossberg funeral home.

In 1979 he purchased Mr. Schlossberg's interest and changed the name to Roberson Funeral Home. In 1982 a crematory was added and the name changed to Roberson Funeral Home & Crematory.

In 1986 he partnered with a group of funeral directors to take Restlawn Memorial Gardens, Charlotte County's first perpetual care cemetery out of receivership. In 1991 he opened the Roberson Funeral Home & Crematory Punta Gorda Chapel.

It is crucial to the death care industry to have another funeral director at the Capital and Ken has made that happen. Congratulations to Ken, and FFDA looks forward to continuing supporting and working closely with him in Tallahassee!
